SKILLS

Full stack development
Software testing and automation
SaaS Software Web Services
Mobile Agile
CI/CD GIS

EXPERTISE

ACCOMPLISHMENTS

2024 ACE NZ Awards finalist
2x ESRI NZEUC speaker
2x FOSS4G speaker
ACE NZ Emerging Leader Nominee

PROGRAMMING

JavaScript TypeScript
HTML&CSS Python
Bash PowerShell
C C#
Java PHP

AI ENGINEERING

AI-assisted development, testing, review and documentation
Machine learning integration
Copilot Gemini Claude ChatGPT

LIBRARIES

React Vue Angular
Jest PyTest Mocha
Express Flask ASP.Net
SQL Server SQLite Postgres
Webpack Vite

MEMBERSHIPS
